

Scholarship Program 2005

The ARHCA annual scholarship is awarded to an individual who has completed his/her secondary education (high school) and will be or is currently a student at a recognized and accredited post-secondary institution or in an apprenticeship program. The scholarship must be used toward tuition or course materials.

Eligibility:	Available to the children of ARHCA member firm employees.
Value of Scholarship:	\$750
Frequency of Scholarship:	The scholarship is awarded annually.
Application Deadline:	<u>July 16, 2005</u>
Award Date:	<u>August 16, 2005</u> All applicants will be notified of the status of their applications by August 30, 2005.

Application Requirements

Part 1) Essay

Provide a one-page dissertation about the program you are taking and your plans following graduation. Preference will be given to highly qualified students entering the roadbuilding and heavy construction industry.

Part 2) Application

Complete the attached scholarship application, signed and dated.

Part 3) Secondary School Record

Include a verified record of final marks for grade 12 (all terms) as well as any current marks if already in a post-secondary program.

Part 4) Community Involvement/Volunteer Contributions

List any community contributions you have made or volunteer work you have done, including details such as organization name, time devoted, etc.

Part 5) Extra-Curricular Activities

Describe any sports, hobbies or interests that you are involved in, including, if applicable, any special achievements, commendations or awards.
